School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

To serve the unique academic, physical, social, and emotional needs of students in order to provide each student with the highest quality education, inspire a passion for learning, and make meaningful connections that propel children to become lifelong learners.

Vision

At Patterson Road School we believe there are no limits to the academic potential of our students, and there are no excuses for not maximizing this potential for individuals' success. As staff members of Patterson Road, we are committed to structured collaboration with one another in an effort to meet the needs of all students. Every member believes that every student is capable of academic proficiency in all subject areas. We believe collaboration is the vehicle to increase student success and achievement. We will work to neutralize the challenges students bring with them to school. We will practice targeted instruction to build the intellectual ability of our students to do rigorous work. We will address challenges through candid collaboration as a team. We will work together to provide all of our students a school community that provides a positive, safe environment where children feel empowered to achieve high levels of learning. Students are recognized for their character, academic achievement and attendance. We believe that the driving force of our school's success is through the collaboration of our administration, teachers, staff, students, parents, and the community.

Patterson Road Elementary School is located in the northern region of Santa Maria and serves students in grades kindergarten through six following a traditional calendar. For the 2016-2017 school year, 674 students are enrolled, including 11.1% in special education, 12.6% classified as English Language Learners, and 40% qualifying for free or reduced price lunch. There are three Special Day Classes, serving 30 students with special needs in 3rd through 6th grade.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: October 1, 2016

All textbooks used in the core curriculum at Patterson Road Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, October 14, 2015, the Orcutt Union Elementary's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 7 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2015-2016 school year, Orcutt Union Elementary did not offer visual/performing arts classes and therefore did not require the distribution of respective textbooks and instructional materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Patterson Road Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with the custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Patterson Road parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through email, the school marquee, school newsletters, the school website, and PTA newsletters.

Opportunities to volunteer on the Patterson Road campus include the following: chaperone Field Trips, volunteer in classrooms, participate in PTA sponsored activities and family fun nights, and assist with Campus Beautification Projects. Opportunities to serve on committees at Patterson Road School include the following: English Learner Advisory Council, District English Learner Advisory Council, Parent Teacher Association (PTA), and School Site Council.

Patterson Road School families are encouraged to participate in the following school activities throughout the year: Back to School Night, Spring Festival, Family "Fun" Nights, Open House, Book Fairs, Jog-A-Thon, Family Movie Nights, Family Bingo Night, Lunch on the Lawn celebration, and other assorted PTA activities.

School Safety Plan (School Year 2016-17)

The Comprehensive School Site Safety Plan was developed for Patterson Road Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in the Spring of 2016.

Professional Development (Most Recent Three Years)

All training and curriculum development activities at Patterson Road Elementary School revolve around the California State Content Standards and Frameworks. During the 2015-2016 school year, Patterson Road Elementary School held three staff development days devoted to:

- Data Analysis
- Instructional Strategies

Decisions concerning selection of staff development activities are performed by the principal and grade level representatives using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Patterson Road Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need.

During the 2015-2016 school year, Patterson Road Elementary School's teachers attended the following events hosted by the Orcutt Union Elementary:

- Professional Learning Communities
- Examining Student Achievement
- Differentiated Instruction
- Address the Needs of English Learners

Patterson Road Elementary School offers support to new and veteran teachers through peer coaching and mentoring. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.
